To get started finding Drive Rollator Owners Manual , you are right to find our website which has a comprehensive collection of manuals listed.

Our library is the biggest of these that have literally hundreds of thousands of different products represented.

## Book Descriptions:

# Drive Rollator Owners Manual

Read our Privacy Policy for details. A basket below the seat is a standard feature of the Four Wheel rollator, making it convenient to tote personal items during the users travels. The handles are adjustable by angle and height, and the grips are ergonomic so the handles ultracomfortable to use. The hand brakes also feature a loop lock design for user safety. The padded backrest can be adjusted up or down, but can also be removed for easy transport. Every effort will be made to return your walker to working condition in the shortest time possible. The following parts will be repaired or replaced at our discretion, free of charge, for the following allowable time periods from the date of purchase. Any abuse or intentional misuse of the walking aid will void the warranty. If the product is damaged or is not the correct product, please refuse the delivery. If your item was delivered without a signature and is damaged or incorrect please call SpinLife Customer Service. If item shows any signs of use, SpinLife is unfortunately not able to issue a refund. In the event your item is not returnable we will contact you and you can decide if you'd like it shipped back. You will be responsible for shipping fees to get the item back to you. We continue to provide these services with the following modifications Our Delivery agent will wear a face mask during the entire visit and use hand sanitizer before touching any product or entering your home. Your boxed product will be delivered over the threshold of your door. Please wear a face mask and move furniture away from the doorway so the agent does not need to touch any existing furniture. Please note, to ensure that Inside Delivery is an option for you, please measure the door to your home groundlevel to ensure that it is at least 36" wide the standard width of the box. Agents cannot deliver up or over steps. Inside Delivery does not include setup or removal of packing materials. <http://atlet-irk.ru/userfiles/craftsman-21-inch-snow-blower-manual.xml>

For these services, please consider White Glove Delivery or Tech SetUp, if available. We continue to provide these services with the following modifications Our White Glove Delivery agent will wear a face mask during the entire visit and use hand sanitizer before touching any product or entering your home. The agent will unpack and setup your product to the extent possible outside the home. Please have the door open for the agent, wear a face mask, and maintain a distance of at least 6 feet from the agent while they are in your home. Mobility products and patient lifts will be setup and delivered to immediately inside the door. Beds and lift chairs will be placed into the appropriate room. All furniture must be moved so the agent does not need to touch any existing furniture. Read our Privacy Policy for details. The Nitro comes in 3 frame sizes; Standard, Petite, and Tall. Easy steering is achieved from the larger front wheels, and the castor fork design promotes tight turns in indoor spaces. The brake cable is safely housed inside the frame, keeping the body line clean and attractive. The artsy Euro styling of the Nitro compliments its smart features. Its seat is durable and comfortable and for a perfect fit, there's no need to break out the toolbox. The back height is lowered and raised using a tool-free thumb screw and the handle height adjusts with a simple push of a button. The Nitro Euro Style Rollator is perfect for anyone who wants a convenient four wheel rollator that operates virtually anywhere. A to Z Medical is an Authorized Dealer and Service Center for all products in our store. If you need on-site service, please call to arrange a visit from our Manufacturer's Approved Service Center. The warranty does not extend to non-durable components, such as rubber accessories, casters, and grips, which are subject to normal wear and need periodic replacement.

Full product warranty is extended to the original purchaser for new consumer purchases only. This warranty is not extended to third-party payers or renters for whom a separate rental agreement exists. The following parts will be repaired or replaced at our discretion, free of charge, for the following allowable time periods from the date of purchase.
