## Greeting from the German Rowing Federation

Dear athletes,  
dear rowing friends,  
dear guests,

The 1st International DRV Junior Regatta in Munich Oberschleißheim has been an integral part of the international junior rowing calendar since 1995. After the ranking event during the German Small Boat Championships in Brandenburg an der Havel in April, it is the next big highlight for our young rowers.

Almost 1,000 participants from 12 countries will be competing for victory on the 1972 Olympic regatta course. Thus, the regatta earns the name "leading European competitive sport regatta for Juniors". Due to the direct comparison with the competition, the event is always an important milestone for the German Rowing Federation with regard to the performance level of our young athletes. In addition, the strong field of participants encourages all athletes to perform even better and to improve their ranking.

The organiser, Regatta München e.V., proves every year that the organisation of large regattas is easy for them thanks to their routine and experience, which is why athletes, coaches and support staff always enjoy coming to the traditional regatta course. Therefore, a big thank you to the entire team, which - as in the past - has once again done an impeccable job of preparation.

I am looking forward to exciting and fair competitions and wish all participants lots of fun, success, and great days in Munich.

Schäftlarn, April 2023

Moritz Petri  
Chairman of the German Rowing Federation

## Greeting from Regatta Munich

Welcome to the Olympic Regatta Centre in Munich Oberschleißheim for the International Junior Regatta of the German Rowing Federation.

Regatta Munich is delighted that after the mammoth organisational project of the successful European Championships Munich 2022 in August of last year, the European juniors will once again be hunting here for medals as well as the winner shirts designed this year by Regatta Munich's new official supplier, the Italian manufacturer Di-Bi.

With twelve European countries, from Great Britain to Moldova and the Czech Republic, we again have a great number of entries.

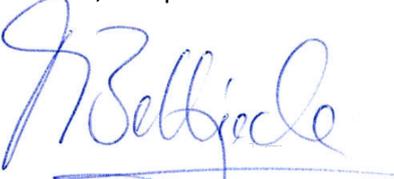

The 1972 Olympic Regatta Centre is one of the most historic and prestigious regatta venues in the world. We honour the Olympic heritage and at the same time stand for digitalisation with the help of modern technologies and fresh ideas.

We are particularly pleased that the Ukrainian national team will be competing in Munich again and that we will be able to support the team once more.

I wish all participants fair and successful competitions and the visitors exciting and thrilling races!

Finally, I would like to take this opportunity to thank the numerous volunteers and supporters, sponsors, and donors — especially the District of Upper Bavaria and the Kreissparkasse München Starnberg Ebersberg — without whom we would not be able to stage this event.

Munich, 26 April 2023

Oliver Bettzieche  
President of Regatta München e.V.

**The RGM-STUBN on the 1st floor of the regatta building directly at the finish tower are open as follows and look forward to your visit:**

<b>Friday</b>	<b>16:00 to 20:00</b>
<b>Saturday</b>	<b>08:00 to 19:00</b>
<b>Sunday</b>	<b>08:00 to 17:00</b>

**We offer breakfast (sandwiches), pretzels, Weißwürste, cake and of course drinks.**

## General information

### Important telephone numbers

Fire brigade	112
Police	110

## Safeguarding

All rowers, coaches, volunteers, and staff have the right to participate and work in a non-violent, safe and respectful environment. Behaviour and actions that constitute harassment and abuse will not be tolerated. If concerns about harassment and abuse arise during the event, please contact the Safeguarding Officer Elias Kraus at the event or email [e.kraus@regatta.de](mailto:e.kraus@regatta.de).

## Regatta Office and Team Information

You will find the regatta office in the administration building near the boathouse area. Here you can get accreditations and pay regatta fees. In addition, you can view the current race results here as well as receive information about the regatta.

### Opening hours

Friday	11:30 till 20:00 hrs
Saturday	06:30 till 20:00 hrs
Sunday	06:30 till 17:00 hrs

### Contact details

Manager	Lukas Abelt
Phone	+49-(0)89-21231296-0
E-mail	<a href="mailto:l.abelt@regatta.de">l.abelt@regatta.de</a>

## Catering

The restaurant is located directly in the regatta building at the finish tower. Our caterer Martin Burzlaff is looking forward to seeing you. The opening hours of the restaurant will be announced at the regatta by posting in the regatta office. The QR code on the accreditation serves as a digital meal ticket. Dinner will only be offered if ordered in advance.

## Regatta regulations

The provisions of the [official regatta information](#) always apply with priority.

## Crew changes, withdrawals, and late entries

You must submit crew changes, withdrawals and late entries online at [max.m-start.de](http://max.m-start.de). You can use any web browser for this purpose. Alternatively, you will find terminals in the regatta office where you can also make your entries. Please have the username and password of the original registrant ready. Notwithstanding the Rules of Racing and the German Rules of the Rowing Competition, the deadlines according to the official regatta information shall apply.

## Results service

Our automated results service is available at the terminals in the regatta office. There you can send the official results by e-mail. In addition, they are available on the internet at [max.m-start.de](http://max.m-start.de)

For sustainability reasons, we do not print out start lists or results for teams.

## Weighing

All light weights are weighed according to the German rules and regulations (RWR) of the German Rowing Federation.

The scales are in Boat Hangar Section B in Hangar 22. Please be sure to bring a photo ID for weighing. A test weighing is possible there on Friday from 14:00 to 20:00.

## Team Managers Meeting

There will be no Team Managers Meeting. Please contact the Team Information Centre for more information.

## Bow numbers

All boats must be provided with bow numbers. These will be issued at the regatta office before the start for a deposit of 10 Euros and must be returned there after the race.

## Racing attire

Please refer to paragraph 2.6.7 of the AWB / Rule 39 World Rowing Rules of Racing regarding racing attire.

## Training times

Training at the track is possible as follows: Friday to Sunday from sunrise until 30 minutes before the first race and 30 minutes after the last race until sunset.

## Start

A boat may not enter the start zone until it is clear for which race it has been assigned and the Starter has assigned a starting lane to the boat. The boats must be at their starting positions two minutes before the starting time. The instructions of the Starter and the jury in general must be followed. The Starter may start the race without regard to absentees and may caution a boat crew arriving late to their starting position.

## Team tents

Tents, which serve the teams' stay, can be set up along the course in the designated areas free of charge after registration at the regatta office. A corresponding area will be allocated by the regatta management, there is no entitlement to a special place. The preparation of meals is not permitted in these team tents.

## Supply tents

A flat-rate fee will be charged for tents used to supply one's own team:

- In advance 50 €
- On site 60 €

Bookings are possible via the online entry system.

## Boat storage

The storage of the boats is at the risk of the clubs. In case of possible damage, there is no legal claim against the organiser or the host.

## Access to the venue

- **Towing vehicles** may drive onto the venue with trailers and park the boat trailers. They must then leave the venue within 30 minutes and can park in the grandstand parking area. For this they need a parking permit, which must be ordered in advance via the online entry system. Unloaded boat trailers are to be parked in the boat trailer parking area, not in the boat area.
- **Bus coaches** can drive onto the site and park on the left immediately after entering. They do not need a parking ticket for this. However, the space available for bus coaches is limited.
- **Team/club vehicles** are not permitted to drive onto the venue but may park in the grandstand car park with direct access to the venue. There is a charge for the car park, which is maintained by an external leaseholder. Parking permits are chargeable (€10 for the entire event) and must be ordered in advance via our online entry system to ensure smooth processing on site.
- **Other visitors' vehicles** can park on site in the grandstand car park for €4/entry.

## Parking permits

You can get pre-ordered parking permits for the grandstand car park at the container in front of the barrier on the left, directly after the exit from the B471, or at the regatta office. For this purpose, you will receive a QR code by e-mail before the regatta, which you should bring with you on your mobile phone or printed out. This will speed up the process on site and avoid waiting times.

If you forget to order parking tickets in advance, you will have to park the vehicle outside the grounds and order a parking ticket at the regatta office or online first.

## Driving regulations on the premises

During the competition days, access to the boating area is strictly prohibited. Please park your trailers only in the specially designated parking spaces behind the boat halls and keep the access roads and all escape and rescue routes clear. Please understand that we will repeatedly ask you if you violate this regulation. We would also like to point out that in extreme cases we may exclude you from the event.

Walking, running, cycling and inline skating are prohibited on the grandstand-side waterfront road on competition days. Please inform your athletes! Coaches can accompany their rowers on the opposite shore road.

## Grandstand

Unfortunately, the grandstand is closed for fire safety reasons. Spectators can watch the races in front of the grandstand and on the opposite side of the finish tower.

## Covid-19-related measures

Currently there are no more federal Covid-19-related regulations and people are no longer required to wear face masks. Nevertheless, we ask all athletes, employees, and officials to act on their own responsibility and to observe the usual rules of conduct and hygiene.

# M-START

M-START develops and distributes digital solutions for regatta operations:

- Entry portals
- Regatta management
- Accreditation solutions
- Contact tracking
- Integration of regatta solutions

We rely on our experience in regatta operations and on pragmatic, implementable solutions for clubs and associations at home and abroad. Please feel free to contact us:

---

We thank

the official outfitter for Regatta München e.V.

## Regatta proceedings and award ceremony

The course length for JF/JM A is 2000 metres, for JF/JM B 1500 metres.

Basically, six lanes are started at intervals of four minutes.

### General procedure

For races 111 to 116, 125, 126, 128 and 129, heats will be held and later the finals C (for more than 15 entries), B and A. The same applies on Sunday for races 239 to 242. All other races will be divided into divisions eligible to win one hour before the start of the race. The Saturday races will be considered as qualification for the Sunday races. This means that the divisions on Sunday will be set by the jury according to the placings on Saturday. In the event of equal placings, time will be the deciding factor. Those who did not start on Saturday with the same crew will automatically be placed in the last race on Sunday.

### Award ceremonies

Apart from the heats and the B and C finals, award ceremonies will take place after all races.

### Junior B

The winners of each race will receive an original "Regatta München Winner" functional shirt, which we are producing in cooperation with our partner New Wave, as well as a medal. Only the first-placed athletes will be honoured at the winners' pontoon directly after their event. Due to the tight race schedule, the athletes will remain seated in their boats.

### Junior A

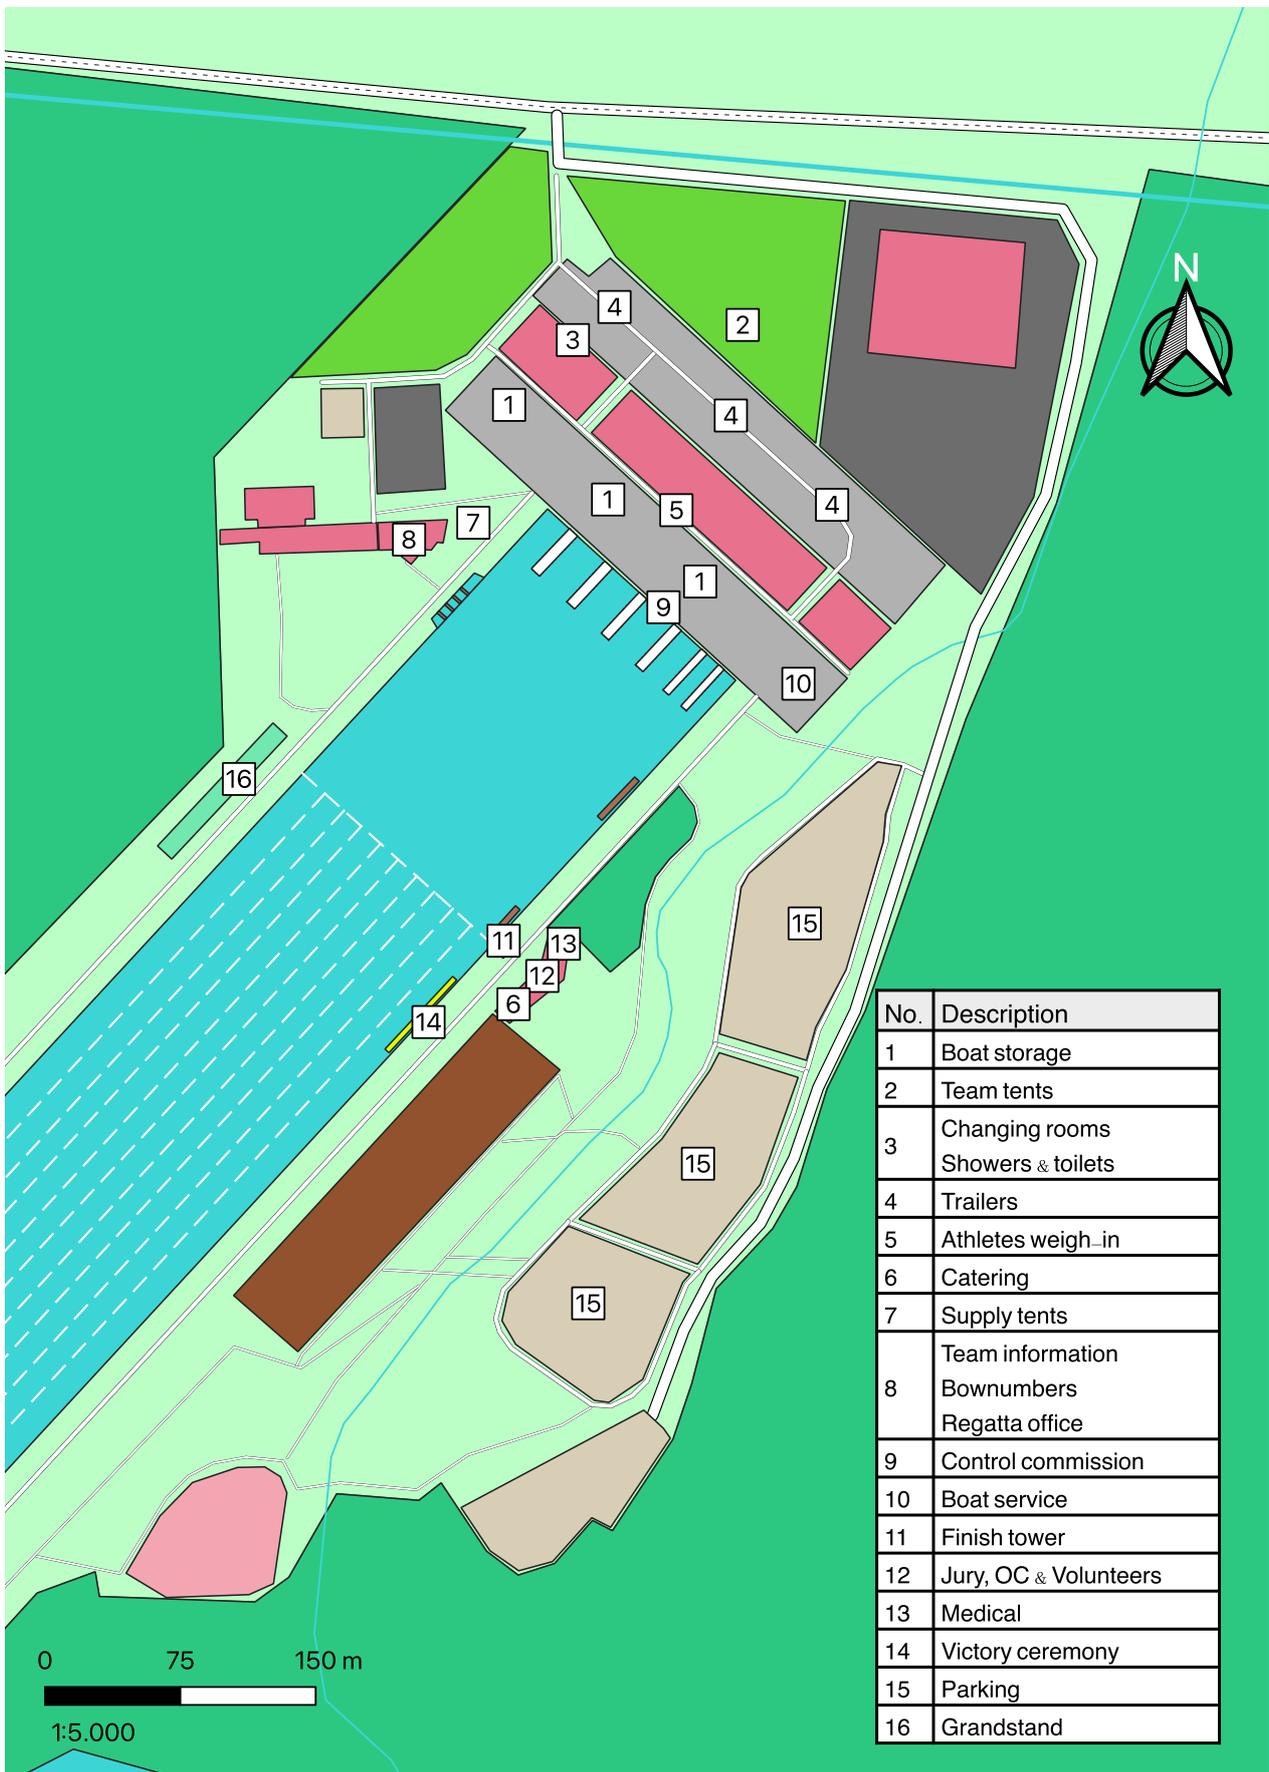

In races without heats, the winners will receive an original "Regatta München Winner" functional shirt and a medal. Only the first-placed athletes will be honoured directly after their race at the winners' pontoon. Due to the tight race schedule, the athletes will remain seated in their boats.

In races with heats, places 1 to 3 from the Final A races will receive their medals (gold, silver and bronze) on the winners' podium. The first-placed will also receive an original "Regatta München Winner" functional shirt.

In the following Junior A events the places 1 to 3 will be honoured:

	Saturday				Sunday		
<b>111</b>	JF	2x	A	<b>239</b>	JF	4x	A
<b>112</b>	JM	2x	A	<b>240</b>	JM	4x	A
<b>113</b>	JF	4+	A	<b>241</b>	JF	8+	A
<b>114</b>	JM	4+	A	<b>242</b>	JM	8+	A
<b>115</b>	JF	4-	A				
<b>116</b>	JM	4-	A				
<b>125</b>	JF	1x	A				
<b>126</b>	JM	1x	A				
<b>128</b>	JF	2-	A				
<b>129</b>	JM	2-	A				

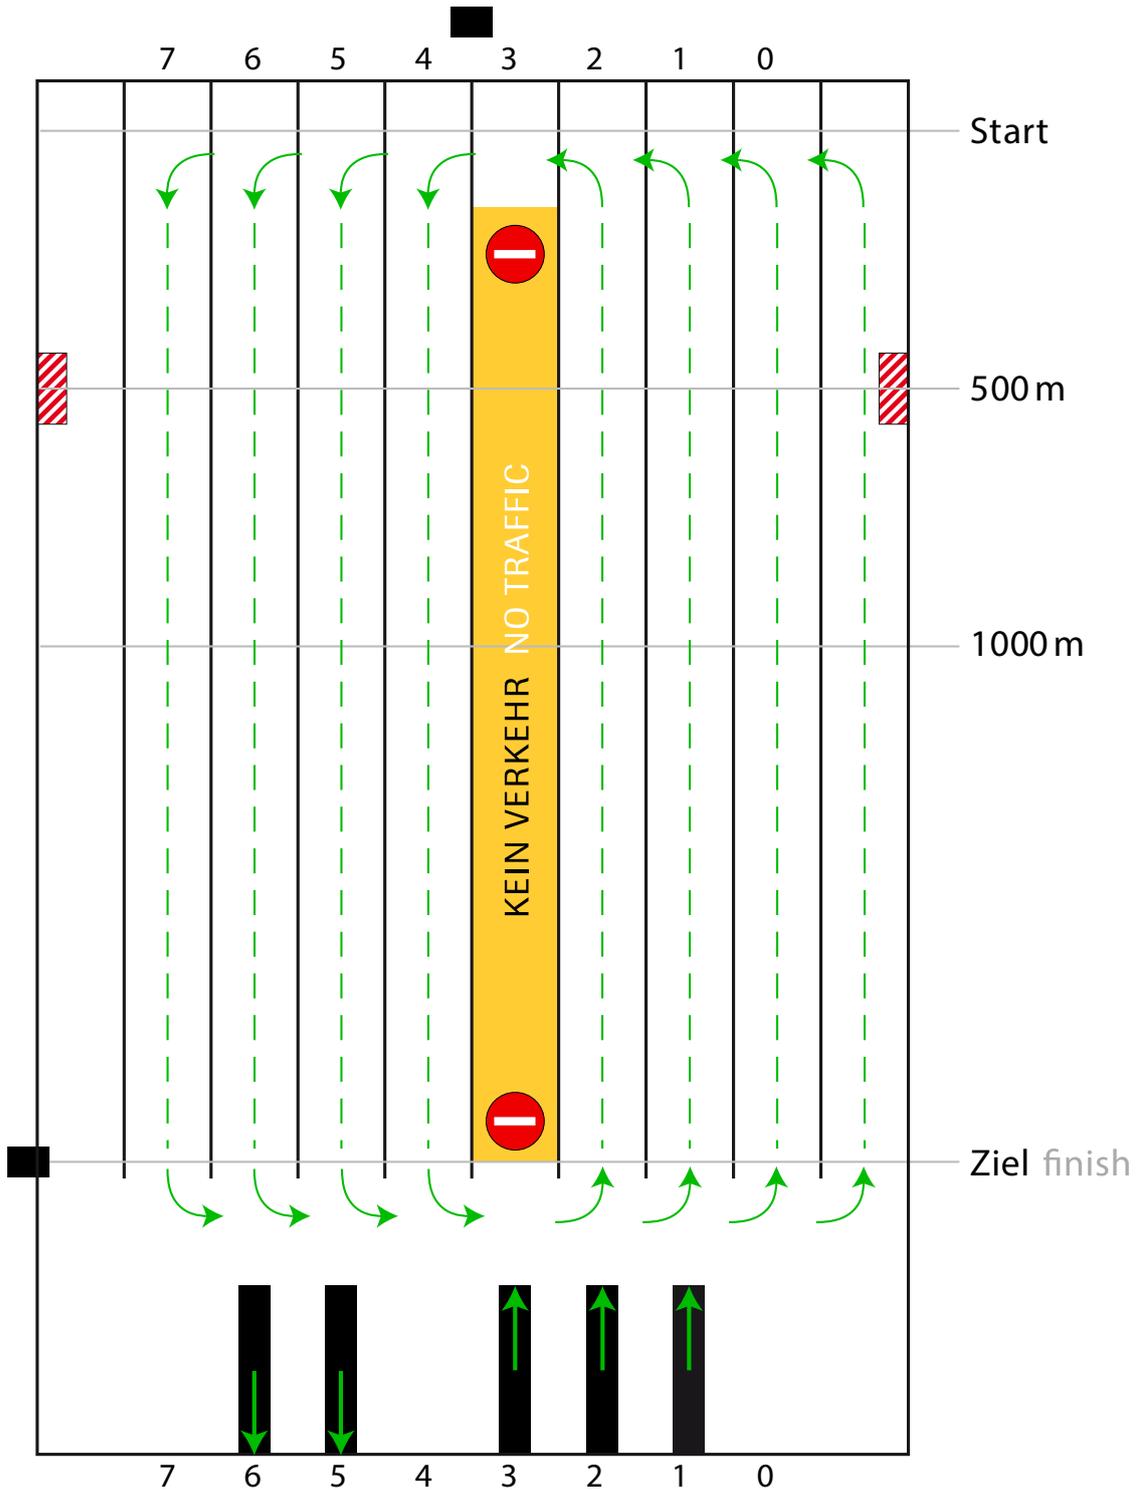

## Site plan

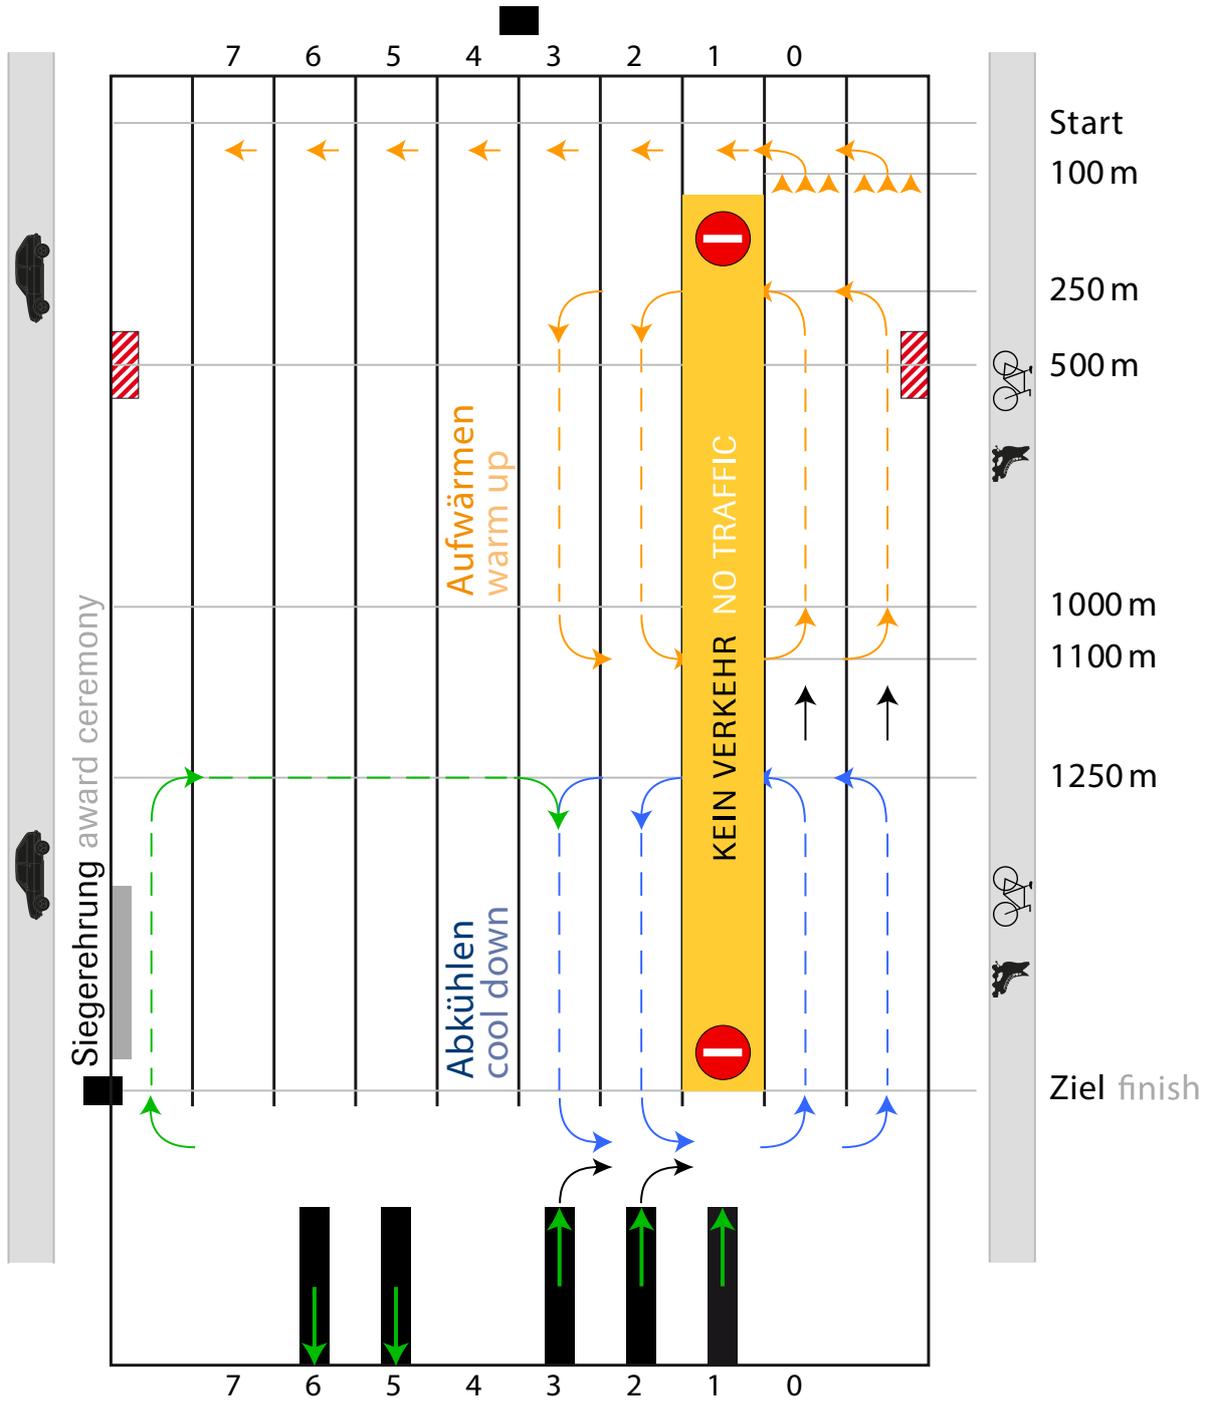

### Traffic rules

The traffic rules must be observed at all times, whereby we refer to the notice boards at the boathouse area and ask you to observe the safety regulations in this programme booklet. Violations will be punished with warnings. The start zone and finish line must be kept clear of boats not involved in an event.
