

GUIDE TO LINK EDUCATION GALAXY WITH GOOGLE CLASSROOM

Google Classroom

EDUCATION GALAXY & GOOGLE CLASSROOM

Education Galaxy now works with Google Classroom! Teachers will be able to link their class and EdGal assignments to their Google Classroom. Students will see their EdGal assignments in their GC and teachers will be sent their results directly.

STEP 1:

Go to Education Galaxy and log into your account.

STEP 2:

Click on Student Center --> Select Manage Users

Avatar Usage

This option allows you to limit the usage of the Avatar feature to outside of school hours. If activated, students can only play with their Avatar at home.

Google Classroom

This option allows you to manage the Google Classroom integration. You will be able to control which classes are Google Classroom integrated as well as view the student's invitation status. Google Classroom authentication is required in order to manage the settings.

Login with your Google account to link your accounts.

Education Galaxy wants to access your Google Account

edgalgct3@gmail.com

This will allow Education Galaxy to:

-  Manage course work and grades for students in the Google Classroom classes you teach and view the course work and grades for classes you administer
-  Manage your course work and view your grades in Google Classroom
-  View the email addresses of people in your classes
-  Manage your Google Classroom class rosters
-  Manage your Google Classroom classes

HOW TO LINK STUDENTS

1

Click on Student Center and Select Manage Users. Then, select the Google Classroom option.

Google Classroom

2

This will allow you to see the invitation status for each of your students. Once each student has successfully linked their Education Galaxy account with their Google Classroom account it will show as "Accepted".
