

Wiser Radiator Thermostat

Check for compatibility
between the radiator valves
on your radiators and
Wiser Radiator Thermostat

Schneider
Electric

Equip your radiators with Wiser Radiator Thermostats.

There are about 60 manufacturers of radiator valves.

Wiser is compatible with 80% valves on the market.

Valves, with the following diameter and thread pitch **M30 x 1.5 mm are compatible** with Wiser Radiator Thermostat.

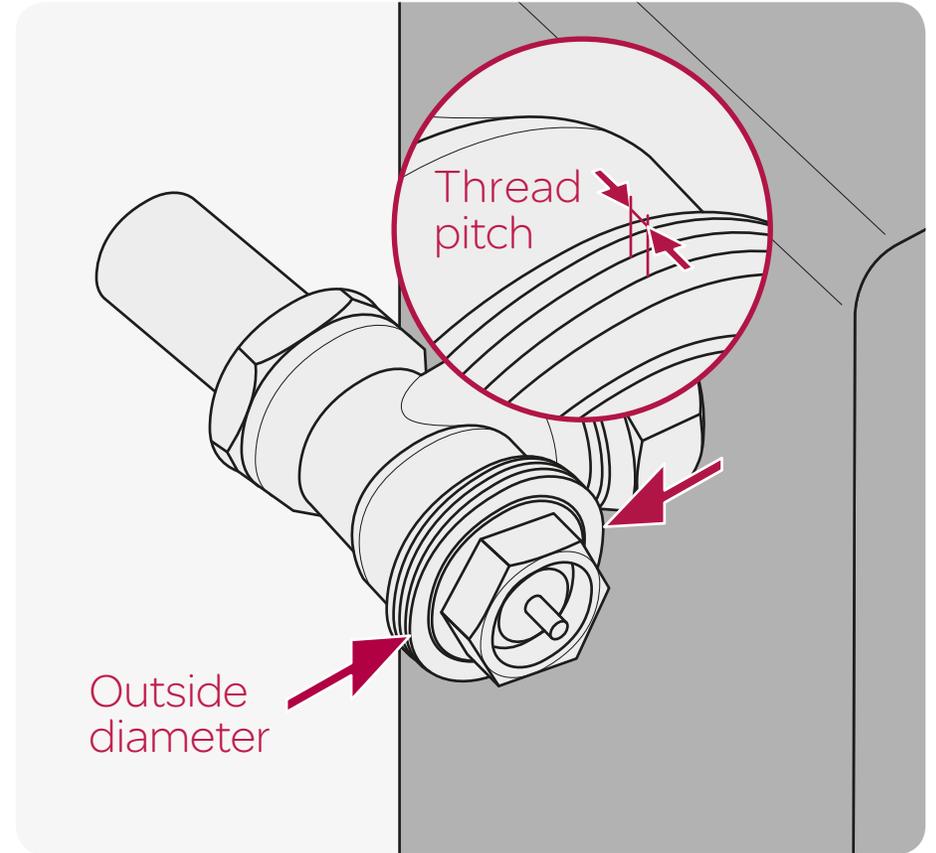

For other diameters, an **adapter** may be required.

This guide enables you to check the compatibility of your equipment and provides you with the correct radiator adapter reference to order.

As standards, specifications and designs change from time to time, please ask for confirmation of the information given in this publication.

- 1 Remove the head of the valve of your radiator.
- 2 Measure, using a caliper, the **outside diameter** and the **thread pitch** of the valve.

The measurement result is

You current radiator valve is
compatible with Wiser using
the supplied "Universal adapter".

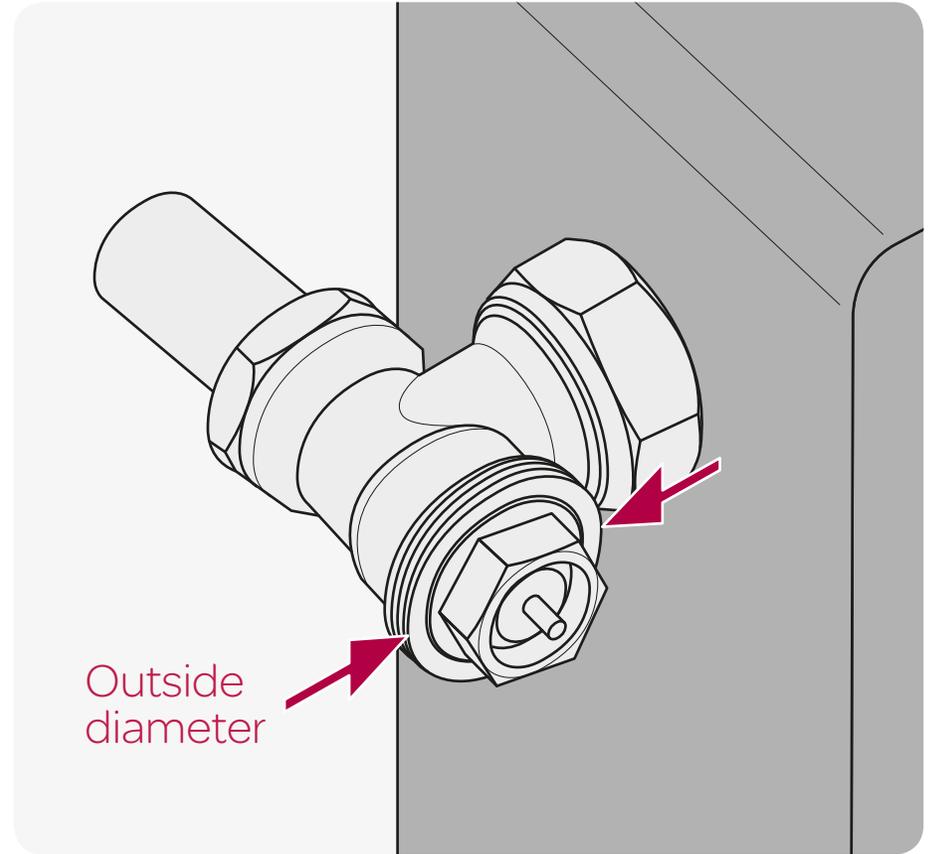

Universal
adapter

Identify the brand of your radiator valve from those shown below.
The brand is visible on the valve body.

Click on the brand of your radiator valve.

Comap

Measure, using a caliper, the **outside diameter** of the radiator valve.

The measurement result is

The **Comap** valve of your radiator requires **adapter ref. EER53050** to be compatible with **Wiser Radiator Thermostat**.

Adapter
ref EER53050

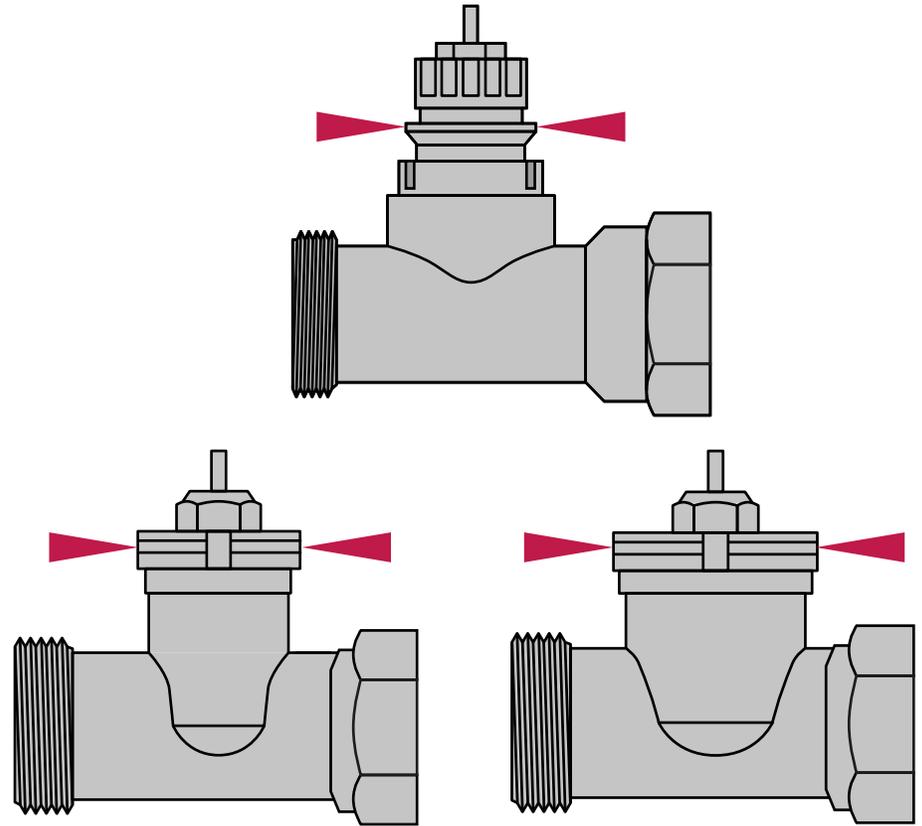

Universal
adapter

* Supplied with **Wiser Radiator Thermostat**

Danfoss

Measure, using a caliper, the **outside diameter** of the radiator valve.

The measurement result is

The valve of your radiator is **compatible** with **Wiser Radiator Thermostat** using the **supplied plastic adapter** or the metal **adapter** ref. **EER53170**.

Supplied plastic adapter

or

Metal adapter ref. EER53170

+

Universal adapter

* Supplied with **Wiser Radiator Thermostat**

The valve of your radiator is **compatible** with **Wiser Radiator Thermostat** using the **supplied plastic adapter** or the metal **adapter** ref. **EER53160**.

Supplied plastic adapter

or

Metal adapter ref. EER53160

+

Universal adapter

* Supplied with **Wiser Radiator Thermostat**

The valve of your radiator is **compatible** with **Wiser Radiator Thermostat** using the **supplied plastic adapter** or the **metal adapter ref. EER53180**.

Supplied plastic adapter

or

Metal adapter
ref. EER53180

+

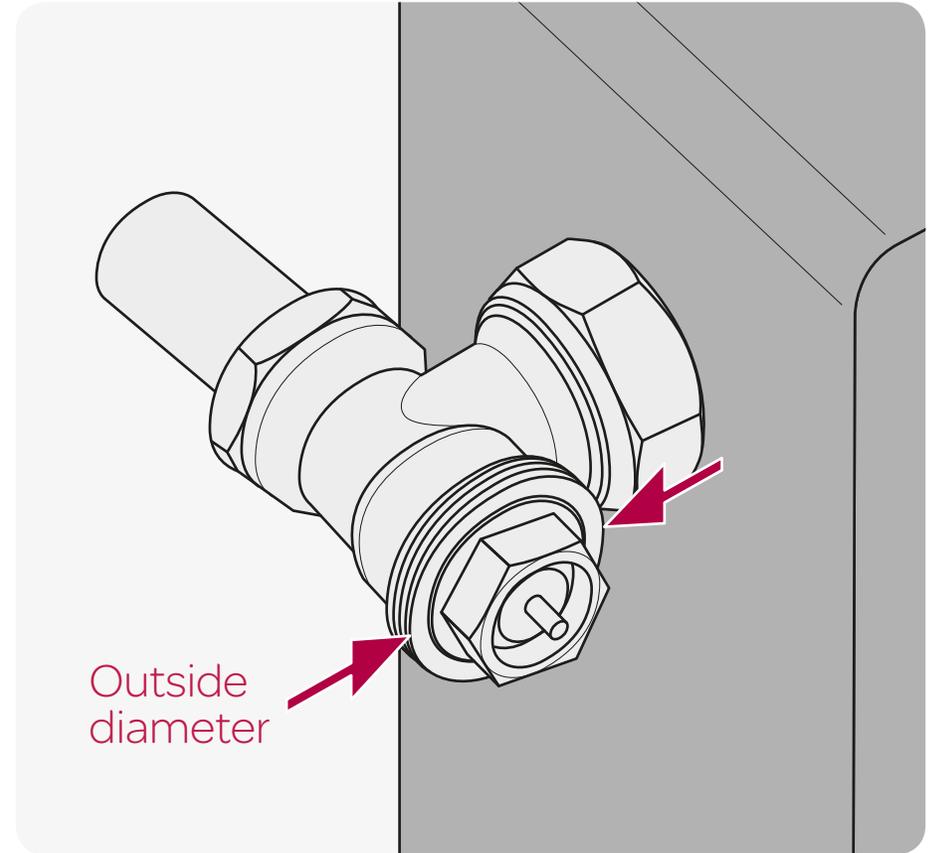

Universal adapter

* Supplied with **Wiser Radiator Thermostat**

Fratelli Pettinaroli

Measure, using a caliper, the **outside diameter** of the radiator valve.

Outside
diameter

The measurement result is

The **Fratelli Petinarolli** valve of your radiator requires **adapter ref. EER53260** to be compatible with **Wiser Radiator Thermostat**.

Adapter
ref EER53260

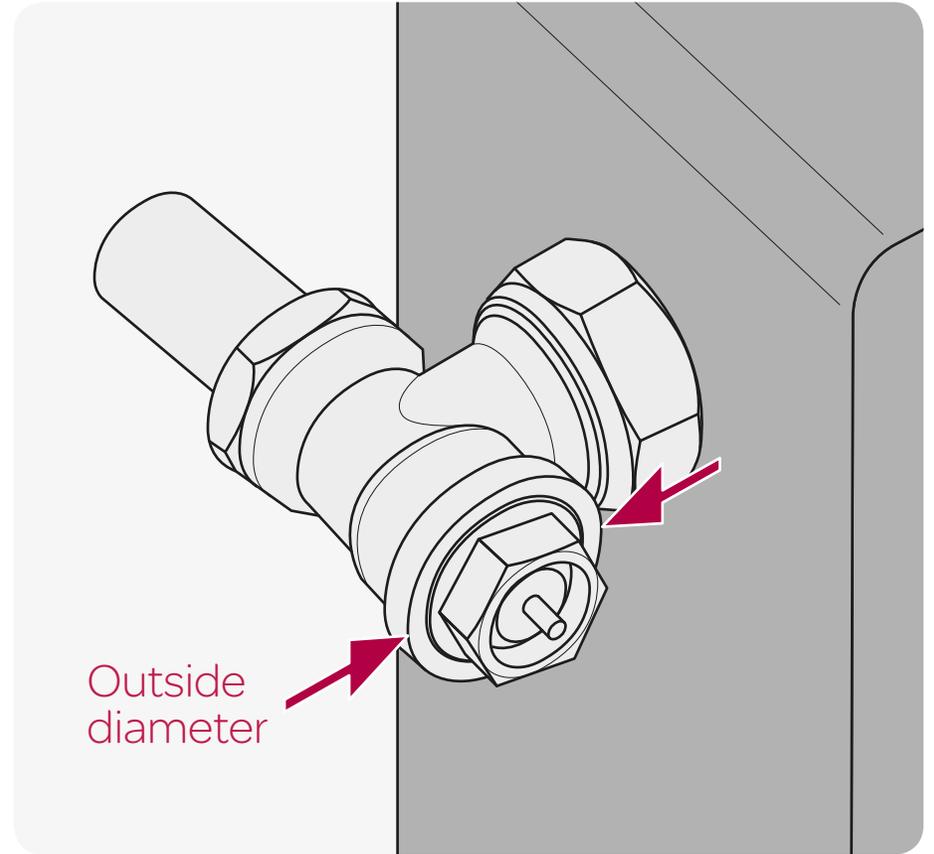

Universal
adapter

* Supplied with **Wiser Radiator Thermostat**

Giacomini

Measure, using a caliper, the **outside diameter** of the radiator valve.

The measurement result is

The **Giacomini** valve of your radiator requires **adapter ref. EER53060** to be compatible with **Wiser Radiator Thermostat**.

Adapter
ref EER53060

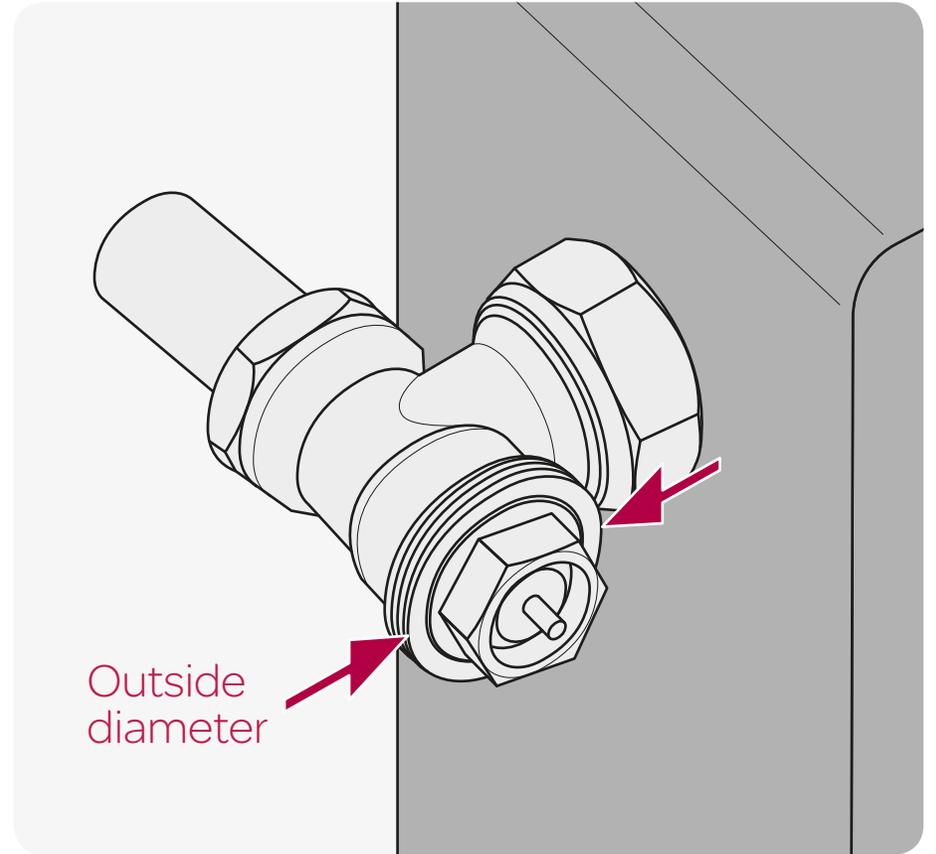

Universal
adapter *

* Supplied with **Wiser Radiator Thermostat**

Herz

Measure, using a caliper, the **outside diameter** of the radiator valve.

The measurement result is

The **Herz** valve of your radiator requires **adapter ref. EER53030** to be compatible with **Wiser Radiator Thermostat**.

Adapter
ref EER53030

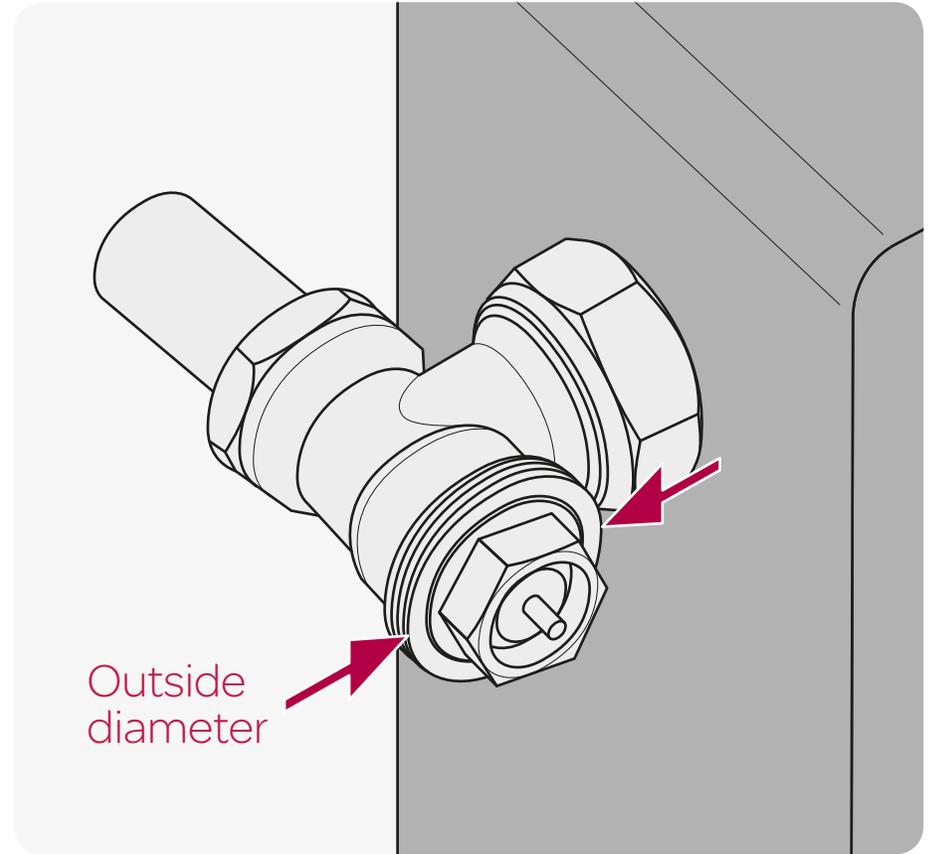

Universal
adapter

* Supplied with **Wiser Radiator Thermostat**

Markaryds

Measure, using a caliper, the **outside diameter** of the radiator valve.

The measurement result is

The **Markaryds** valve of your radiator requires **adapter ref. EER53070** to be compatible with **Wiser Radiator Thermostat**.

Adapter
ref EER53070

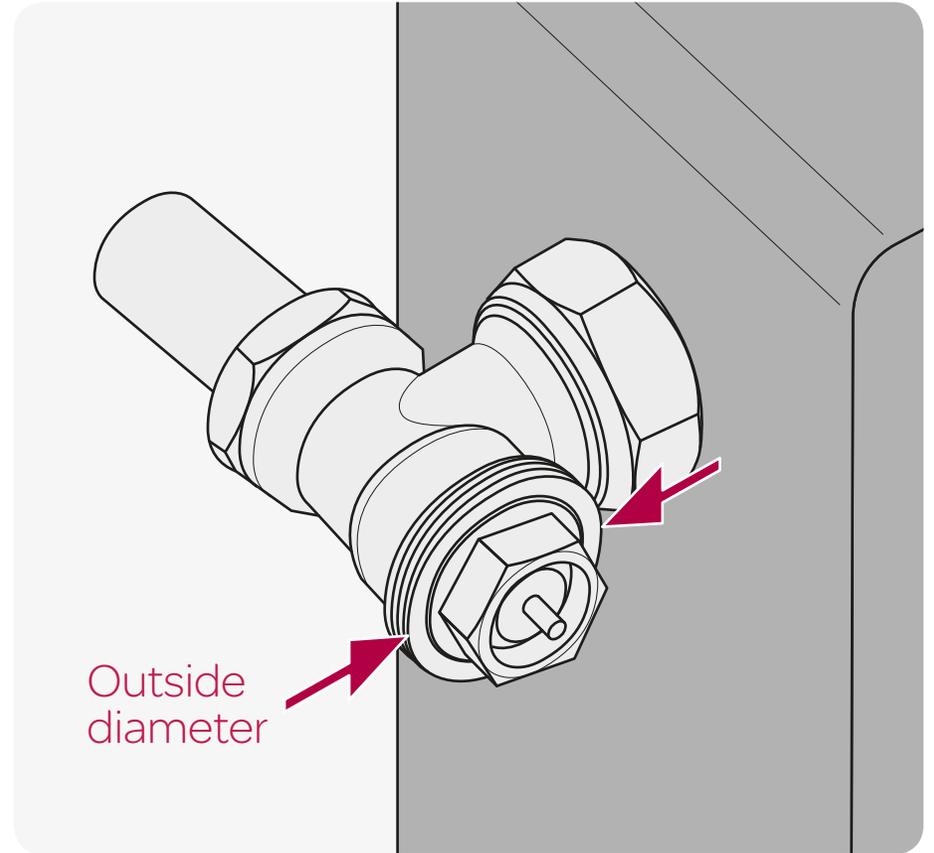

Universal
adapter

* Supplied with **Wiser Radiator Thermostat**

Ondal

Measure, using a caliper, the **outside diameter** of the radiator valve.

The measurement result is

The **Ondal** valve of your radiator requires **adapter ref. EER53080** to be compatible with **Wiser Radiator Thermostat**.

Adapter
ref EER53080

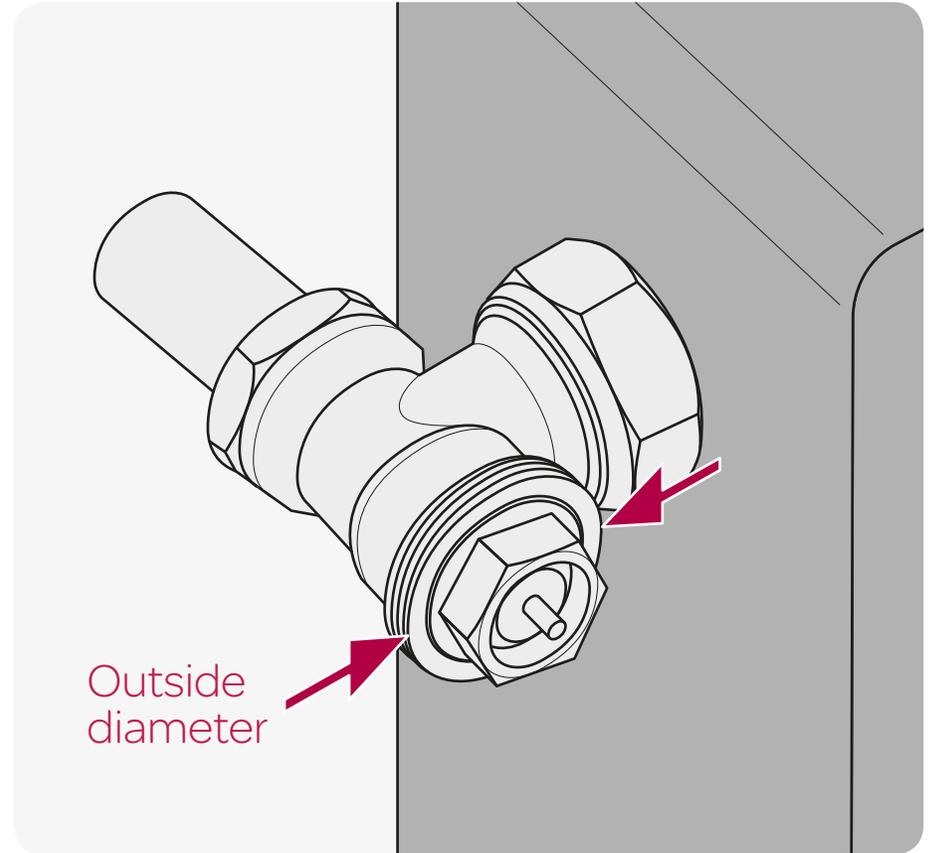

Universal
adapter *

* Supplied with **Wiser Radiator Thermostat**

Orkli

Measure, using a caliper, the **outside diameter** of the radiator valve.

The measurement result is

The **Orkli** valve of your radiator requires **adapter ref. EER53220** to be compatible with **Wiser Radiator Thermostat**.

Adapter
ref EER53220

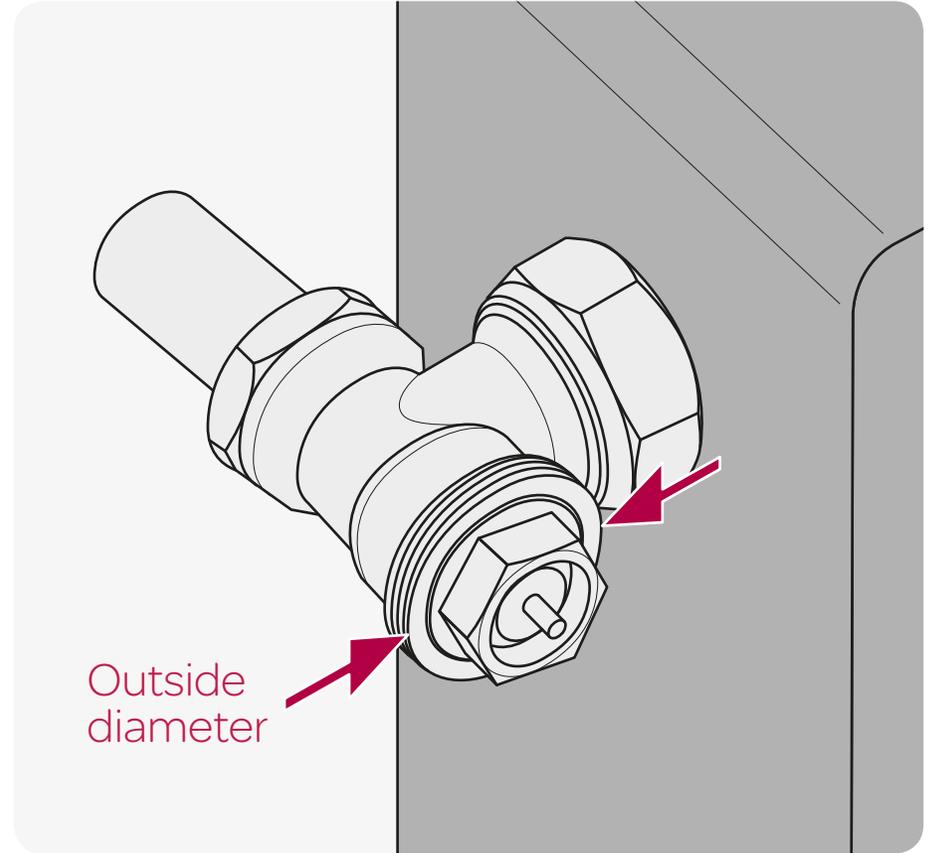

Universal
adapter *

* Supplied with **Wiser Radiator Thermostat**

Oventrop

Measure, using a caliper, the **outside diameter** of the radiator valve.

The measurement result is

The **Oventrop** valve of your radiator requires **adapter ref. EER53020** to be compatible with **Wiser Radiator Thermostat**.

Adapter
ref EER53020

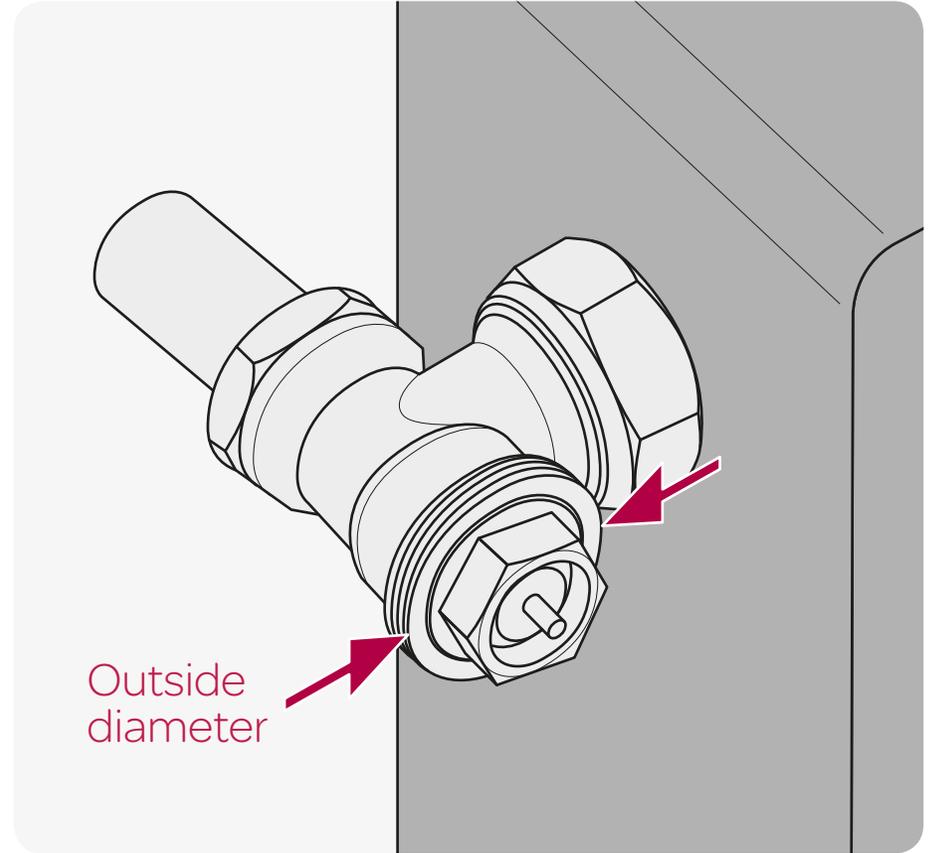

Universal
adapter

* Supplied with **Wiser Radiator Thermostat**

Rossweiner

Measure, using a caliper, the **outside diameter** of the radiator valve.

The measurement result is

The **Rossweiner** valve of your radiator requires **adapter ref. EER53150** to be compatible with **Wiser Radiator Thermostat**.

Adapter
ref EER53150

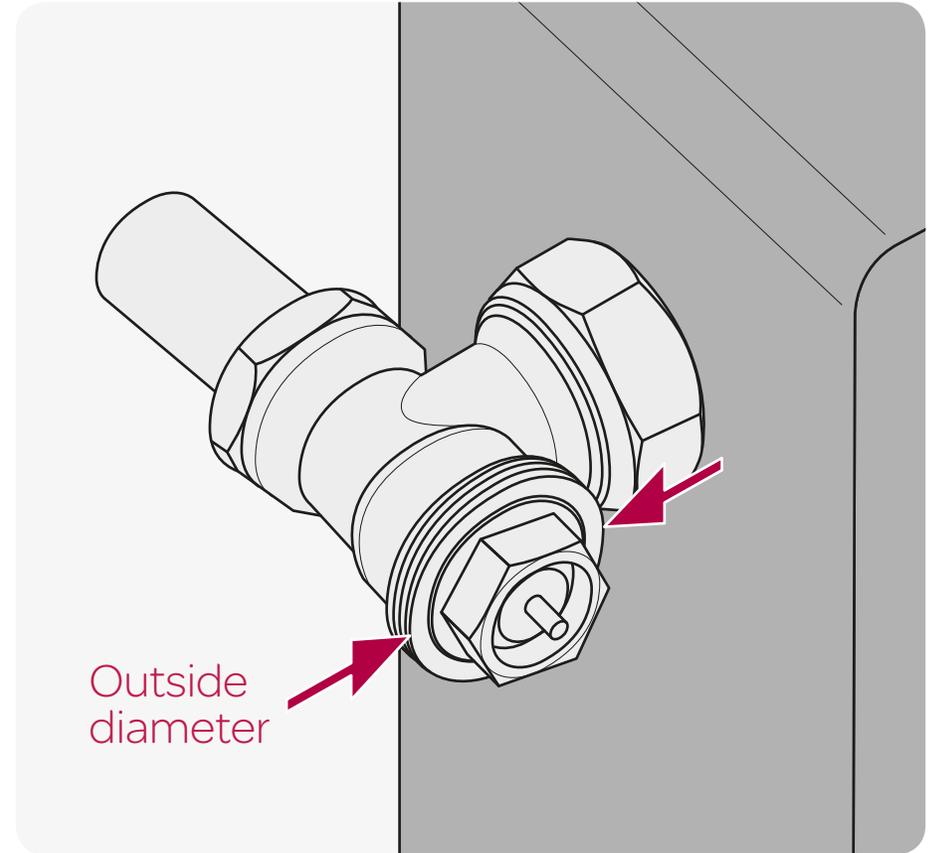

Universal
adapter *

* Supplied with **Wiser Radiator Thermostat**

TA

Measure, using a caliper, the **outside diameter** of the radiator valve.

The measurement result is

The **TA** valve of your radiator requires **adapter ref. EER53040** to be compatible with **Wiser Radiator Thermostat**.

Adapter
ref EER53040

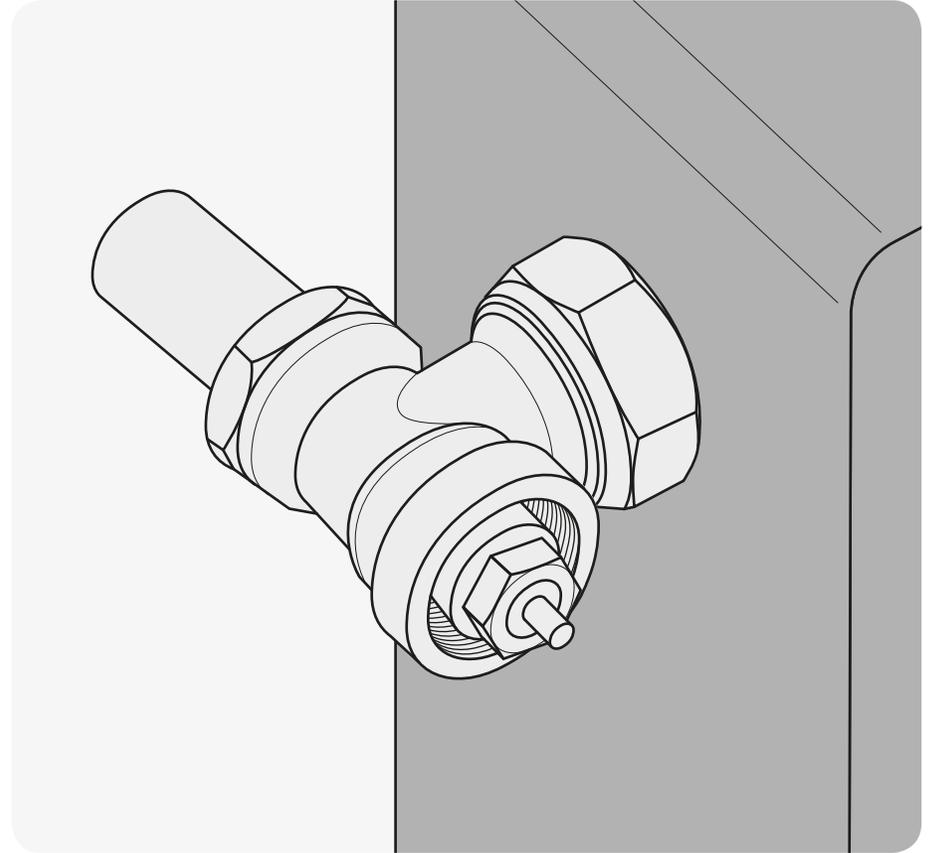

Universal
adapter

* Supplied with **Wiser Radiator Thermostat**

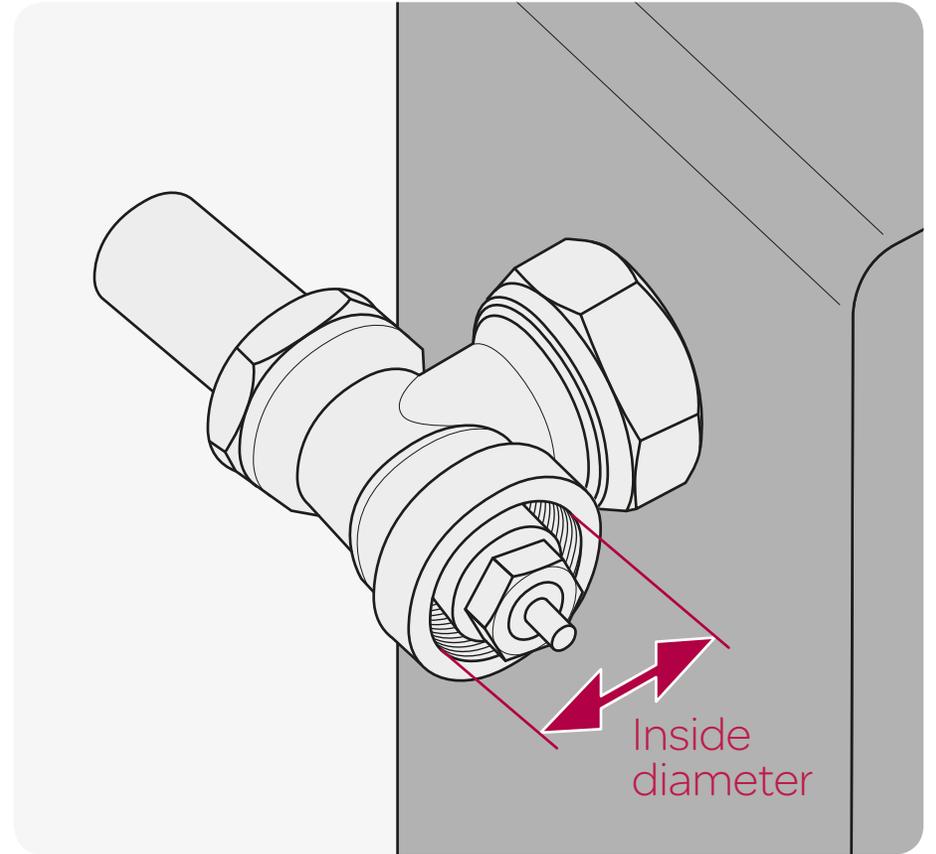

Other brands

Is the **thread** of the radiator valve,
inside ?

Other brands

Measure, using a caliper, the **inside diameter** of the radiator valve.

The measurement result is

Your radiator is equipped with a **Gampper** valve.
It requires **adapter ref. EER53110**
to be compatible with **Wiser Radiator Thermostat**.

Adapter
ref EER53110

Universal
adapter

* Supplied with **Wiser Radiator Thermostat**

Other brands

Identify the **internal shape** of the radiator valve.

Your radiator is equipped with a **Gampper** valve.
It requires **adapter ref. EER53090**
to be compatible with **Wiser Radiator Thermostat**.

Adapter
ref EER53090

Universal
adapter *

* Supplied with **Wiser Radiator Thermostat**

Your radiator is equipped with a **Gampper** valve.
It requires **adapter ref. EER53100**
to be compatible with **Wiser Radiator
Thermostat**.

Adapter
ref EER53100

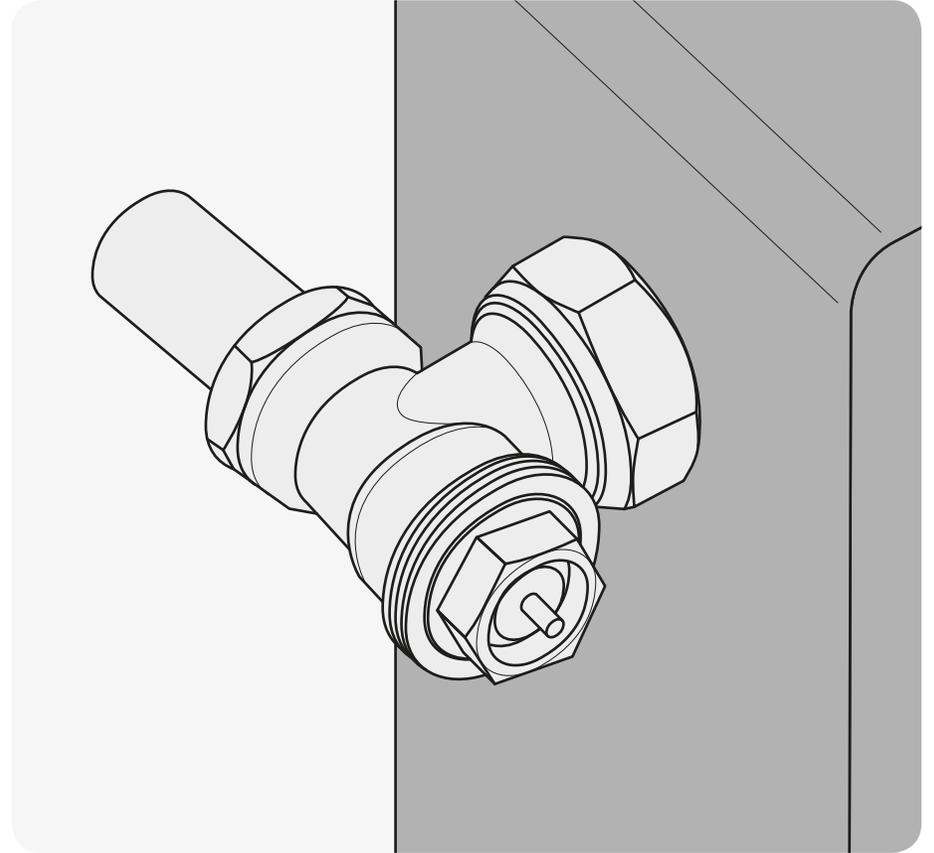

Universal
adapter

* Supplied with **Wiser Radiator Thermostat**

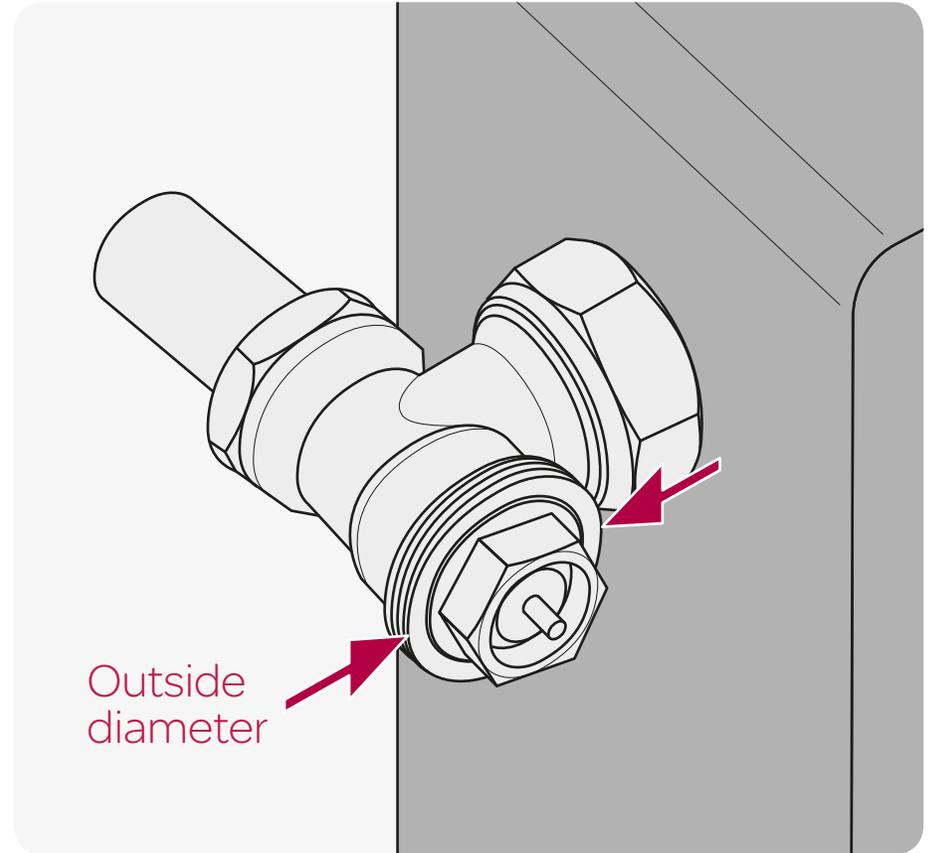

Other brands

Is the **thread** of the radiator valve,
outside ?

Other brands

Measure, using a caliper, the **outside diameter** of the radiator valve.

The measurement result is

Your radiator is equipped with a **Vama** valve.
It requires **adapter ref. EER53140**
to be compatible with **Wiser Radiator Thermostat**.

Adapter
ref EER53140

Universal
adapter *

* Supplied with **Wiser Radiator Thermostat**

Your radiator is equipped with a **Ista** valve.
It requires **adapter ref. EER53120**
to be compatible with **Wiser Radiator Thermostat**.

Adapter
ref EER53120

Universal
adapter *

* Supplied with **Wiser Radiator Thermostat**

Your radiator is equipped with a **Meges** valve.
It requires **adapter ref. EER53130**
to be compatible with **Wiser Radiator Thermostat**.

Adapter
ref EER53130

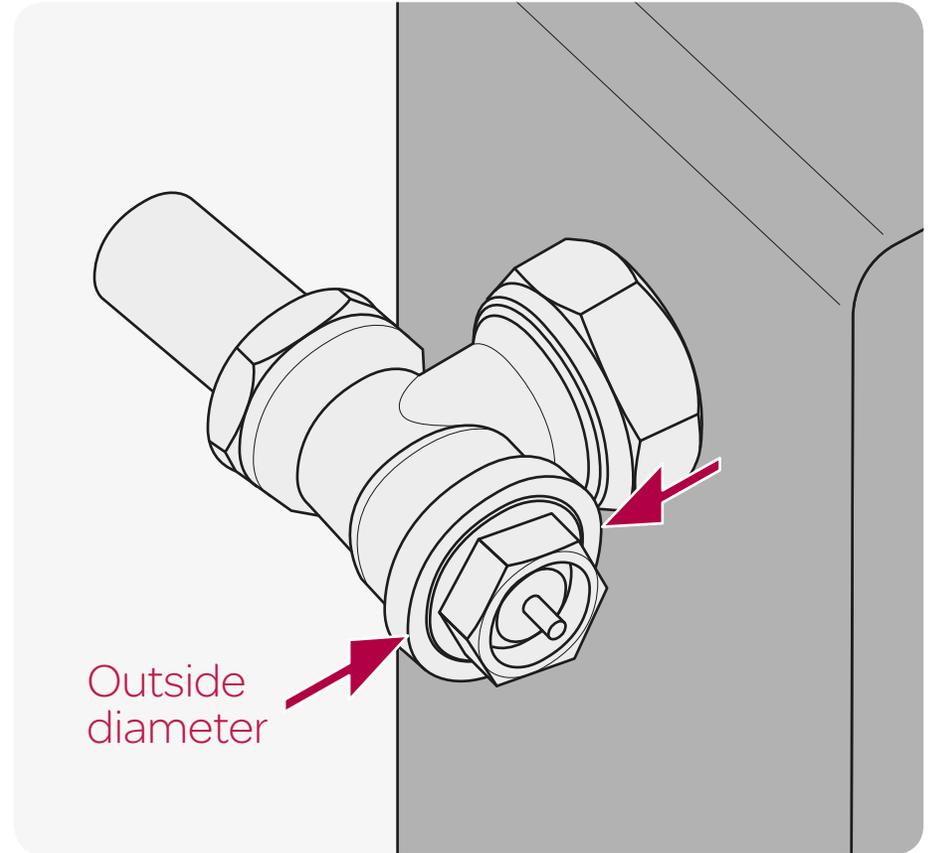

Universal
adapter *

* Supplied with **Wiser Radiator Thermostat**

Other brands

Measure, using a caliper, the **outside diameter** of the radiator valve.

The measurement result is

Your radiator is equipped with a **Vaillant** valve.
It requires **adapter ref. EER53010**
to be compatible with **Wiser Radiator Thermostat**.

Adapter
ref EER53010

Universal
adapter *

* Supplied with **Wiser Radiator Thermostat**

Your radiator valve is **not compatible**
with **Wiser Radiator Thermostat**.
